[Github Link](#)

[Live Site](#)

- A Simple, Static and One Page School Website Design.
- Different Type of course show in home page.

Technologies: HTML, CSS, React, Bootstrap

## University Code & Project

---

[Web Development](#)

[C](#)

[Python](#)

[Data Structure & Algorithm](#)

[Simulation](#)

[Assembly](#)

[Java](#)

## EDUCATION

---

- **Institute:** Daffodil International University
- **Degree:** B.sc in Computer Science & Engineering
- **CGPA:** 3.86
- **Year:** 2016-2020

## ACHIEVEMENTS

---

- Participated in many online contests. Solved 250+ programming problems.
- Participated in Take-off Programming contest, DIU
- Participated in Prothom-alo Sudoku Contest
- Participated in ICT Carnival 3 Different Contest
- Volunteered at Project Exhibition 15<sup>th</sup> Foundation Anniversary

## CERTIFICATIONS

---

- JavaScript, Bootstrap – Certification for Beginners – Udemey
- HTML, CSS, JavaScript Fundamentals – Sololearn
- Complete 100 days Code Challenge – freecodecamp
- Programming fundamentals with HTML, CSS, JavaScript – Coursera

## LANGUAGES

---

- Bangla
- English
- Hindi
- Urdu

## HOBBIES

---

- Traveling
- Watching Movie
- Learning A New Skill
- Cooking
- Team Sports (e.g. Cricket, Football)
